

Pre and Post Screening Questions for Class Discussion

Questions about the Character Virtue:

- What is our current understanding of this character virtue?
- What are some examples of how this character virtue can be practiced?
- Why is it important to practice this character virtue?
- What experiences have we had in practicing this character virtue?
- What result/outcomes came out of the choice we made to practice or not practice this character virtue?
- How do you feel when someone does/does not show that character virtue towards you? How might you cause someone to feel when you do/do not show that character virtue to them?
- What would the world be like if everyone practiced this character virtue?
- What reasons might there be why not everyone practices this character virtue? How can we all be encouraged to do so? How can we teach by example?

Questions about the Film:

- What choices were the characters faced with in the film? What did they choose?
- What motivated them to make the choices they did?
- What were the results/outcomes of those choices?
- What did the characters learn about the character virtue presented in the film?
- If you were in the same shoes as the character, would you make the same choices? Why or why not?
- What situations have you faced in the past that were similar to what the characters faced in the film? What choices did you make and why did you make them?
