Hints About the Contract

- Read over the whole contract first, then make a plan. Remember: You will have class time, and some must be done at home.
- Obviously, the essay is the hardest. Start with that assignment (#8) first.
- You can help each other proofread. Please keep these, because we will use them next week.
- Hopefully, you are reading for your reading class and can use your score from that class for your AR test.
- Please remember: When you talk in class, you will *not* be able to finish. Please be responsible, and use your time wisely.
- I know you can do this. **Remember: Make a plan.** ☺
- You can always write more letters if you want to. Don't forget the envelope.
- *This is a lot of work. But remember: You are a fabulous fifth grader, and I am soooooo proud of you and your smart brain.* ©
