Essential Question

- How will you become an **Agent of Change** and make sure you will be proficient or above this school year?

Activating Strategy!

Five Standards

- **Standard I**: Teachers develop leadership.
- **Standard II**: Teachers establish a respectful environment for a diverse population of students.
- **Standard III**: Teachers know the content they teach.
- **Standard IV**: Teachers facilitate learning for their students.
- **Standard V**: Teachers reflect on their practice.

Assessment Prompt #1

- Using a Frayer Diagram, provide examples of how one can be rated at Demonstrating, Proficient, Accomplished and Distinguished. You may use words or pictures.
- Be prepared to share!

Assessment Prompt #2: You're the Principal!

- Watch the following video clip and rate the teacher in the following standards:
- **Standard I**: Teacher demonstrates leadership
- **Standard IV**: Teachers facilitate learning for their students
- After you rate the teacher, discuss your ratings with your colleagues at your table.

Assessment Prompt #2: You're the Principal!

- Now that you have rated the teacher and discussed your ratings with your colleagues, pair up with a partner and develop a skit depicting how a post conference with the teacher and principal might go! One person needs to be the principal and the other person needs to be the teacher.

Assignment

- At least once a quarter, perform a self assessment on yourself and be honest. Go through the teacher evaluation rubric and rate yourself in each standard.

Summary

2-1-Summary

- Write down 2 things you learned from this session and 1 thing you plan to use as you plan your lessons/teach on the note card provided.
