

Art Meets Politics

Blue Print Exploration

Chosen Policy:

Sculpture Summary:

Search online sources to find a variety (3+) of photos of your subject from a variety of viewpoints.

(Open photos in "PREVIEW" and in the printing options, print 4 to a page.)

Include height/width/depth for each piece of the structure.

Choose a "main view point" for your sculpture and sketch out the internal structure in a blue print form.

Brought to you by

edutopia.

Complete blue print sketches for the remaining necessary view points of your structure. The view points sketched will vary depending on your item and your needs in sculpting your piece.
(top, side (left), side (right), bottom, etc.)

Include dimensions for each element of the structure.
