

30 day in class reflection

Name:

Would you consider yourself a good student in this class? Why or why not?

Do you use your time well in this class? Why or why not?

Do you feel respected by the teacher?

What do you wish I wouldn't do or do less of?

How would you realistically change this class?

What do you wish I would notice?

Overall, do you like being a student in this class?

Anything else?
