

# Trekking Everest Adventure

Name:

## Everest Trek

### *Teacher and Student Information*

It is recommended that each student receive his or her own copy of the Google Slides activity

This icon  indicates the embedded video is a 360 video. Students can “look around” by using their fingers or arrow keys to navigate. This icon  indicates a link. This  icon will take you back to the progression slide.

It is recommended students use creative common images for their Everest collage and/or cite their sources.

Extension: Consider making a copy of my Epic Books Street Treks Collection. These can be used as mentor text with Google Street View Treks.

## Pre-Assessment K-W-L Chart

### **Know**

What do you think you already know about this topic?

### **Wonder**

What do you wonder about this topic? Write your questions below.

### **Learned**

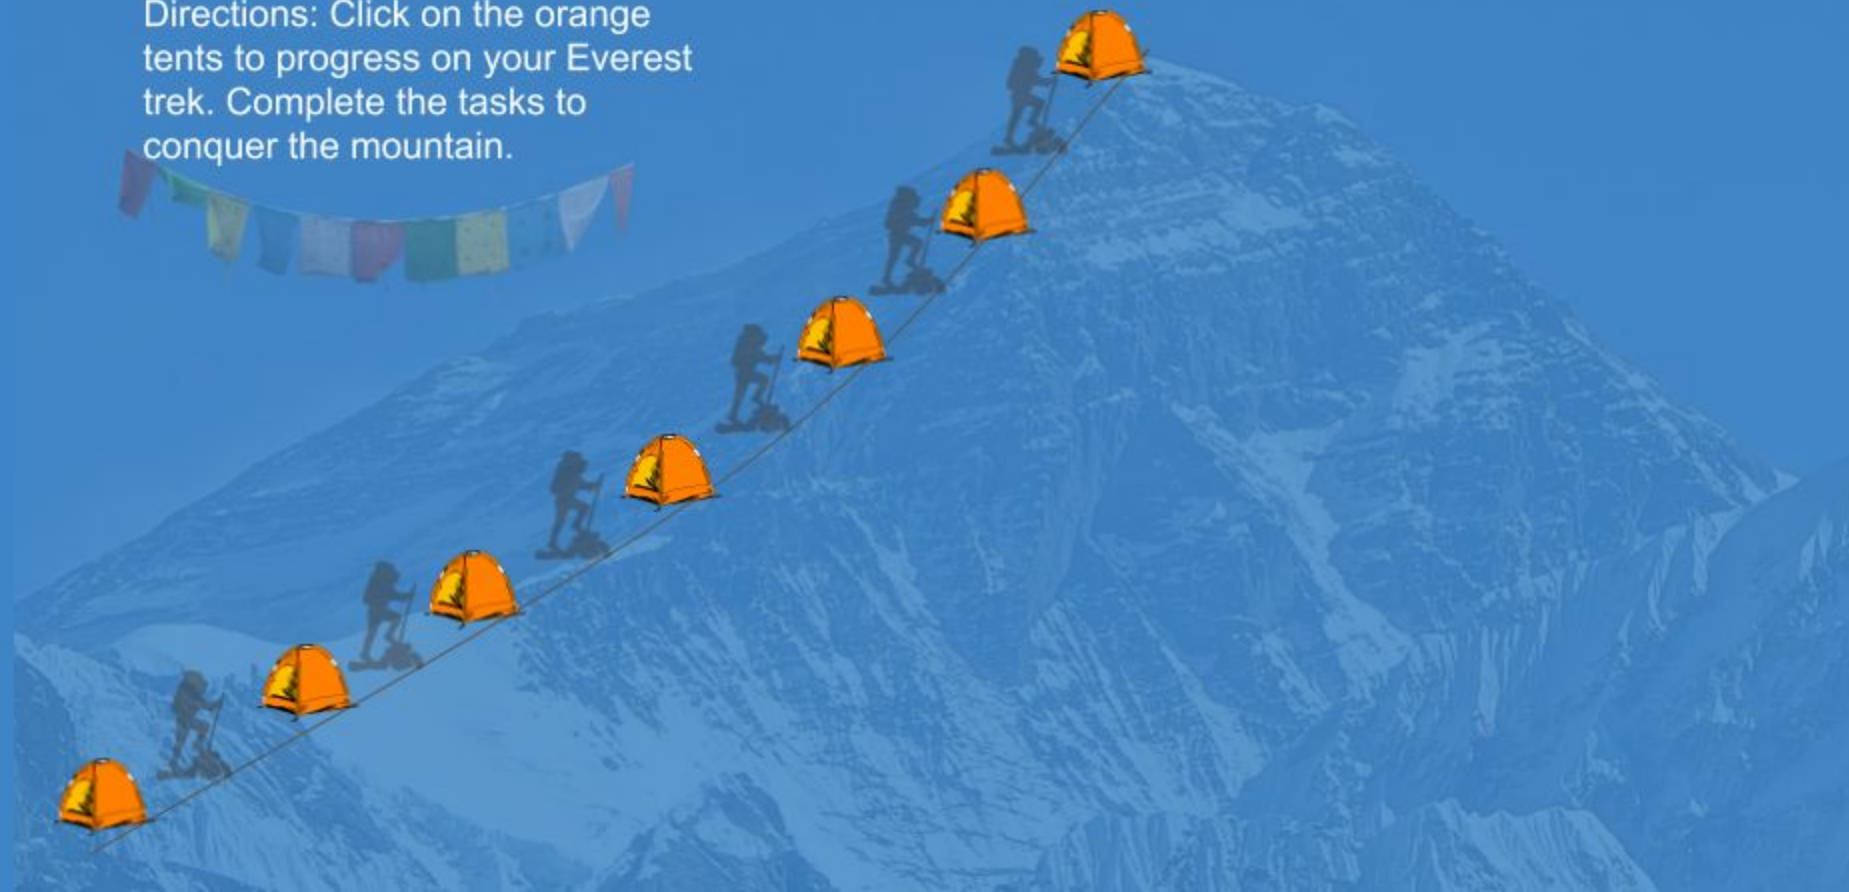

After you complete your project, write what you learned.

Directions:  
Use the  
textboxes to  
add your  
ideas.

## Everest Trek

Directions: Click on the orange tents to progress on your Everest trek. Complete the tasks to conquer the mountain.

# Everest Research Choice Board

Directions:  
Choose one  
article & one  
video to  
explore.

# All About Everest

1. What is Everest's elevation?

2. What is the name of Everest's mountain range?

3. What is the warmest month and the coldest month on Everest?

4. What is the "Death Zone?"

5. Who were the first men to reach Everest's summit?

Directions:  
Use this site to  
research  
Everest. Add text  
boxes with your  
answers.

## Everest Environmental Issues

Directions:  
Watch the video to  
learn more about  
environmental  
issues impacting  
Everest

Solve it

What are some possible solutions that may help decrease the abundance of trash on Everest? If not removed what could be the outcome? Use text boxes to write your response.

# Everest Trek

# My Everest Collage

Directions:  
Use this slide to  
create a collage  
combining text and  
images to  
showcase your  
knowledge about  
Mt. Everest and  
Nepal
