SOME THINGS ARE WORTH

Keeping

What worked really well?

Why was that? What was the outcome?

What was better and why was it better?

Extra Thoughts:

SOME IDEAS ARE WORTH

Trashing

What tanked?

Why was that? What was the outcome?

What was bad and why was it labeled as such?

Extra Thoughts:

AND SOMETIMES THEY NEED

Tweaking

What can be tweaked?

What has possibilities but needs a push?

How will it improve learning?

Who will it serve best?
