

# Blended Learning - Cross-Curricular & Interdisciplinary Lesson

## Blended Learning - Lesson Introduction (Whole Class)

### Station One

Small Group,  
Teacher-led

**ELA - Reading**  
(Informational Text, Craft  
& Structure)

Frame learning across disciplines, extend & deepen objectives, communicate outcomes, correlate next steps.

### Station Two

Collaborative

**Science - Earth & Space**  
(Constructing Explanations &  
Designing Solutions)

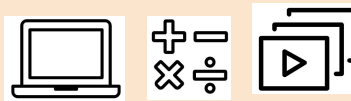

Define tasks, identify issues, delegate roles, mediate perspectives, ideate solutions.

### Station Three

Technology

**Math - Mathematical Practices** (Reason Abstractly & Quantitatively)

Articulate requisite background knowledge, congregate central ideas, postulate foreseeable outcomes.

### Station Four

Independent

**Social Studies - Writing**  
(Integration of Knowledge  
& Ideas)

Synthesize a position, conceive a strategy, propose recommendations, record a plan to move forward.
